## ANNEX 2 - Conditions for the cancellation of QH 2020

The Ibercaja Quebrantahuesos presented by Oakley announces the definitive cancellation of the 2020 edition. The organization makes this decision due to the health emergency generated by Covid-19, the current uncertainty in events of massive participation and large influx and mobility of people, and to be able to celebrate a 30th anniversary next Saturday June 19, 2021 in Sabiñánigo with the best guarantees and enjoying what the Quebrantahuesos really is.

### Options:

Due to the new and exceptional circumstances, the organization will re-enable two options for all those registered who have already chosen the option to remain registered for September 19 (or otherwise did not choose any option) and for all those registered as of April 1, after the announcement of the date change:

- **Option 1 - Change the registration for 2021.** Without raffles or previous steps: participants will be able to choose to go to the 2021 appointment with a guaranteed place, replacing their acquired right for 2020.
- **Option 2 - The full return of the registration fee.** Does not include the return of the registration fee for the draw. Only valid for all those who have made the payment through the event payment gateway.

In either option, the products purchased from Alé Cycling during registration will be sent to the participant's address. The official brand of the test will contact each of them for more details.

### Particularities:

  - Option 1: The entry and the entire pack are preserved for 2021.
  - Option 2: The registration (€ 75) and license (€ 12) are returned if they have been hired.
